

## Free Avast Internet Security 6 Giveaway **Registration and Activation Guide**

1. Go to [www.exclusivegiveaways.webs.com](http://www.exclusivegiveaways.webs.com) and click on the Register link under the Avast Internet Security 6 Giveaway.

The screenshot shows the registration page for Avast Internet Security 6. The page is titled "AVAST Aktion com! so geht's" and "AVAST Aktion com! so geht's - Registrierungsdatei". It features a registration form with fields for "First Name", "Last Name", and "E-Mail". Below the form is a button labeled "Absenden Register for Free Key". The page also includes a sidebar with logos for "Computer Bild", "CHIP ONLINE", "TUV", and "Avast! Newsletter", and a "Bezahlmethoden" section listing Visa, MasterCard, American Express, PayPal, and Banklastschrift. The top navigation bar includes "Home", "Produkte", "Anwendungsgebiete", "Aktuelle Risiken", "Downloads", and "Support".

2. Fill out the form with your First Name, Last Name and valid Email address. Then click the button to register for your FREE activation/license key file.
3. Check your email account for the License file attached as a ZIP with the email message. Extract the **License com! so gehtns.avastlic** file to your desktop.
4. Download and install Avast Internet Security 6 from the link at [www.exclusivegiveaways.webs.com](http://www.exclusivegiveaways.webs.com)
5. Once installed, go to the main dashboard in Avast Internet Security 6, click on Maintenance tab > Subscription and click Insert License File.
6. "Supply and License File" Find and insert the License file from your desktop (or location where you extracted it). Click Yes to install License file prompts.

Your license should be valid until 18<sup>th</sup> April 2012.
