2. If you have previously registered a ComputerBild account, then go ahead and login. If not click on **Zur Registrierung** to sign up for one.

The image shows two side-by-side screenshots of the ComputerBild website. The left screenshot displays the registration page for Kaspersky Security Suite CBE. It features a search bar at the top, a navigation menu, and a main heading 'Kaspersky Security Suite CBE'. Below the heading, there is a registration form with fields for 'Benutzername' (Username) and 'Passwort' (Password), and a 'Login' button. The right screenshot shows the login page, which is identical to the registration page but includes a 'Remember me' checkbox and a 'Login' button. Both screenshots also show a sidebar with various news and product recommendations.

3. After registration and login, check the first option and click the button.

The image shows a form with two options. The first option, 'Persönlichen Lizenzschlüssel anfordern oder verlängern.', is selected with a checked checkbox. The second option, 'Ich möchte regelmäßig per E-Mail-Newsletter über aktuelle Angebote von Kaspersky Lab informiert werden...', is not selected. Below the options is a button labeled 'Lizenzschlüssel anfordern', which is circled in red.

4. Check the email address used to register with ComputerBild. You should receive an email from COMPUTER BILD-Sicherheit-Center with the subject "Ihr Lizenzschlüssel für Kaspersky Security Suite CBE?".
5. The license key in bolded red in the middle of the body in the email.

Note: The license will expire every 77 days, but you should be able to continue using the product by following the above procedures and obtaining a new license.
